

PAST TIMES

50th ANNIVERSARY 1972 - 2022

APRIL 2022

Proudly sponsored by Shannons

Steve Sokmas's VC Brock Commodore, in magnificent condition.

PRESIDENT'S REPORT

I cannot express enough my delight and surprise at the number of classic cars that we are seeing at events this year. We had a great showing at the drive-in movie night another 15 cars at the Curtin Classic car show today. With all the classic cars coming out for meetings can we please reserve the back yard for classics? A small reward for those willing to come out at night.

With the swap meet on in a week as I sit and write this, I am quietly confident that we will get a good turn out of sellers and buyers. We have a full roster of members willing to help on the day and to my mind that alone makes the swap meet a success. The swap meet comes with bonus points for the numbered anniversary badge, another event in April also has bonus points attached and that is the Book launch and the 20th anniversary of the opening of the clubrooms on the 25th of April. Loris and her team are looking for volunteers to help on the day with things such as parking classic cars, helping with the provision of the afternoon tea so if you can make a cake, a sandwich or two please give Loris a call I am sure she will be delighted to hear from you, especially Jon Jon Ramirez with his famous chocolate brownies.

With some Covid restrictions being lifted we may be able to accommodate more members to our Gala Dinner in June. I expect that this event will sell out so please get in early book and pay for your ticket ASAP. This is going to be a great night out and one to not miss.

You will notice that the rear part of our main building has been insulated with polystyrene kindly donated by Rob Hyde in gratitude for us re-building his Mercedes engine. The installation was done mainly by Graham Hough, Domenic Paoliello and Ricki Hanson (with help from others) it has cooled the area a lot and raised light levels as well so thank you guys and a big thank you to Rob and Lorraine for the donation.

On a very serious note, our club renewals will be going out in April this year, a full month earlier than usual. There is a reason for this, the reason is that in the first week of July we are duty bound to send in our return to the Department of Transport on who our members are and who did not renew. Please understand we do NOT have a choice in this and believe me the DOT are going to become very strict. If you get caught being unfinancial you may be asked to pay the full registration price for the car(s) that are affected and during any period when you are deemed by the DOT to be unfinancial your vehicle(s) is not covered by 3rd party insurance so you should NOT be using it. During my five years as secretary and since we have made hundreds of phone calls to members to pay their dues. I simply do not understand why when you get your renewal from the DOT for your car registration you pay it! When you get your club renewal many of you ignore it! PLEASE make sure you take the time to renew on time.

Until next month.

Kind Regards,

Tony Warner

BSB: 306 041

Acc. No: 00583650

(PLEASE include your name in the payment reference)

Alternatively, see Val Smith at our next meeting and pay by Credit Card.

Drive-in night.

Aaah the romance - well it was 60 odd years ago at our local drive in at Mount Gambier our home town in South Australia. Memories of cuddling up in the front seat of the old FJ Holden, large box speaker clipped over the front window- probably didn't hear much.

It was a rather large drive in and they had guys and gals with neck trays going from car to car taking you orders for popcorn, hotdogs and cans of creaming soda (or was it bottles).

You could pick this up at interval or sit at the tables provided at the canteen. Yes, there were two films run in those days.

Fast forward and a bit hard on the romance, no cuddling with bucket seats and a console down the centre!

But we all enjoyed a good get together. Did not do a count but there would have been over 12 - 14 club cars there and a lot of blue club shirts.

Oh - and the film was quite good too.

Ron Dunn

1937 CHEVROLET MASTER black

A popular 2 door passenger vehicle in 1937 when 110,849 were sold. The Master name was used on a number of different versions and the series name changed each year. Whilst external difference was limited to trim and equipment, the Master retained a beam front axle and leaf springs.

The outdoor performance venue, the Sydney Myer Music Bowl is officially opened by Premier Robert Menzies.

Billy Graham begins his tour of Australia.

Qantas launched its first jet service from Sydney to San Francisco via Nadi and Honolulu.

The Australian population more than doubled from 21million in 2008.

Number one song "Volare (NEI blu dip into di blu)", singer Domenico Modigliani.

For the first time in history, more passengers crossed the Atlantic in airplanes than in ships.

Golf Masters won by Arnold Palmer, his first win.

Cynthia

[A group of seniors were sitting around at the Coffee Club talking about all their ailments.](#)

"My arms have got so weak I can hardly lift this cup of coffee," said one.

"Yes, I know," said another. "My cataracts are so bad, I can't even see my coffee.."

"I couldn't even mark an "X" at election time because my hands are so crippled," volunteered a third.

"What? Speak up! What? I can't hear you, said one elderly lady.

I can't turn my head because of the arthritis in my neck,"

"My blood pressure pills make me so dizzy!" exclaimed another.

"I forget where I am, and where I'm going," said another.

"I guess that's the price we pay for getting old," winced an old man as he slowly shook his head.

The others nodded in agreement.

"Well, count your blessings," said a woman cheerfully....

"Thank God we can all still drive."

MINUTES FOR THE V.A.A.of W.A. Monthly General Meeting

Meeting at Clubrooms 19 Helen Street, Bellevue. 8th March 2022

Open Meeting	Meeting opened at 8.03pm. Tony Warner reminded members of Covid19 requirements, QR check-in, wear a mask at all times, isolate if not feeling well.

No new members present.
Previous minutes	Bill Redeckis moved a motion that the previous minutes be accepted as a true and correct record, seconded by Ron Dunn, passed by vote. The motion was carried.
Business arising	No business arising from the minutes.
Correspondence	1x Email from Ted & Dawn Vaughan from Ballidu regarding a logbook for their 1947 Chev Fleetmaster. 1 x email from Justin Pinkard regarding a membership application. 1 x email from Austin Motor vehicle Club regarding event in September Multiple emails from Kymberly Dunn at the Galaxy Drive with Movie information. 1 x Aust Post Renewal notice 1 x Anthony Marchesani member application 1 x Bankwest Statement 1 x AVVVA Newsletter
Treasurer's Report	Val Smith reported: Bank Balance at 08.03.22 = \$26,182.55 *Money in: \$120 from Bruno Remigio \$140 from Anthony Marchesani *Outgoing Payments: Subiaco print - \$313.50 Tony Warner - \$523.87 – for Toner, Magazine postage, flowers for Debbie, Riley expenses. Bob DeJong - \$54 – Riley expenses Alan Warner - \$1,243.80 – Riley expenses, Bumper overrides from the UK. Shirley Everett - \$48.52 – Sausage sizzle Shirley Everett - \$74.85 – Raffle prizes *Mark McKenzie has been taking bottles and cans to recycling and so far this financial year we have earned \$1,089.70, Thanks Mark for taking them in, well worth it! Tony Warner spoke about progress on the Riley. We aim is to take the Riley for a test drive on Wednesday. A reconditioned steering wheel is due soon, so we are close to having the Riley ready for sale. The Solar Panels from the Government Grant have now been installed on the Club Room Roof. We are expecting an invoice soon to finalise the contract with the supplier. Tony asked the meeting if there were any queries regarding the accounts. No queries were noted.
Events	Loris Cooper reported: * On Feb 26 th was the "Fundraiser for Abby". In total \$13,000 was raised with \$530 donated by VAA members. Thank you to the 11 Club Members who travelled to Waroona to attend. *On March 19 th we have a Drive-in Movie night at the Galaxy Drive-In, Kingsley. The feature movie is called "DOG" starring Channing Tatum and of course the star Dog. \$11 for adults Proof of Vaccination is required. A show of hands indicates around 15 Cars may attend. * Also on Sat19 th is the Funeral for Scott Barton. For those who wish to pay their respects the funeral is at 2PM at Bowra & O'Dea, Pinjarra Rd. Our condolences to Graeme & Rhonda. * Loris noted that the Events Planning Committee meeting on Sat19 th will be postponed. Date TBA. *April is a busy month, on Sun April 3 rd is the Curtin Radio Spectacular Car Show. Meeting at 7.30am leave at 8.30am, we need to be set up by 9.30am. A show of hands indicated around 10 members would be attending. *On 10 th April is our Swap Meet, on Saturday the 9 th is our preparation day. *On Sunday 24 th April is the 20 th Anniversary of the opening of our Club Rooms. An afternoon starting at the Midland Markets, driving in convoy back to the Club rooms for afternoon tea. We are looking for as many old cars to come along as possible to help celebrate. Loris mentioned that an Official opening of the workshop is proposed. The 50 th Anniversary History book is currently being printed and will be available for sale on the day at \$35. Book orders will need to be placed soon as there is a limited number available. * The Gala Dinner is on the 25 th June. Tickets will be on offer next week, with only 110 tickets available, please get in quickly. Cost is \$40 for members, \$76 for non-members.

Swap Meet 2022	<p>Ray Smith reported: Swap Meet is on the 10th April so this our last meeting before the event. 1000 Flyers have been printed so please make an effort to distribute these. Ray encouraged members to also get the word out using Facebook. At peak times we'll need 25 people working. Ray has submitted paperwork to the Authorities and is waiting for a response. A requirement is that we check people in with a QR Code. Volunteers must be double vaccinated.</p> <p>Facebook has been used for promotion. Domenic and Frank have designed some Road signs which will be in place before the Swap Meet.</p> <p>Tony Warner spoke encouraging members to put their name on the Roster. Please help and see Tony Warner before you leave the meeting tonight. There are bonus points available for Roster Volunteers. Due to this being a one day event we need to get started early. The message is to spread the workload over many willing helpers.</p>
Magazine & CMC	<p>Frank Ferrari - Reported on the recent CMC Meeting. The CMC has surplus funds held in trust. The meeting discussed the best use of this surplus. It was proposed that the funds be used to purchase the Concessional licence car stickers for the member Clubs, this is to be considered. The last Magazine was large at 20 pages with some good photos thanks to Paul Berkavicius. Frank encouraged people to take photos at events as this provides interesting Magazine content.</p>
Vehicle Examiner	<p>Ray Roberts - not at meeting.</p>
Registrar	<p>Dave Currell - not at the meeting.</p> <p>Martin Steere presented 5 new membership applications for consideration by the meeting:</p> <ol style="list-style-type: none"> 1/ Steven & Helen Dawe of Lancelin, nominated by Dave Currell – 1986 Diahatsu Ute. 2 / Graeme & Bettie Perry, nominated by Peter Egan – own a partially restored 1962 Holden EJ Ute. 3/ Justin Pinkard of Parkerville, nominated by Martin Steere – 1974 XB Ford Falcon 351 sedan. 4/ Anthony Marchesani, nominated by Martin Steere – VC Valiant sedan 5/ Bruno Remigio, nominated by Dave Currell – 1977 Mini Moke and a 1973 XJ6 Jaguar <p>Motion moved by Brian Tucker to accept these 5 applications, seconded by Paul Berkavicius and passed by a vote. The motion was carried.</p>
Building Report	<p>Graham Hough reported: The new Solar PV System has been installed. The Pest Control work has been done. Thanks to Tom Polich for arranging the new Solar PV System.</p> <p>Tony Warner noted that this was the first time in his memory that we have been given such a sum of money from the Government, thanks again Tom for your efforts.</p>
Workshop Report	<p>Bob de Jong reported: The Austin Healy has been fixed, the fabrication work is now complete, Rob Hydes Merc motor is progressing slowly. We have made a start on the Toyota Camry repairs.</p>
General business	<p>Fundraiser for Abby – Waroona Hotel on Feb26th A total of \$13,000 was raised. Thanks to the VAA of WA for its support and thanks to all members for their donations and their time attending the Fundraiser event in Waroona.</p> <p>Tony Warner spoke on our members Debbie Paine who has just left hospital, the Club has sent flowers. Cynthia Payne is in a nursing home in Redcliffe so please keep in touch and visit with Cynthia. Neville Cullanane is in hospital with kidney issues and sadly has Dementia. Paul Fiannaca (1939 Ford coupe) sadly has cancer.</p> <p>Tony Warner has made up a Commitment Board for the York Anniversary Run Event. We are aiming at 50 plus cars to attend and there are extra points for attending. If you make the commitment to attend, there is no backing out!</p> <p>Martin Steere reported – We have been contacted a Gentleman who has 2 x Suzuki Mighty Boys for sale. If interested contact Martin.</p> <p>The Raffle made \$163. Raffle Draw results: Blk C75 Paul Berkavicius, Blk C61 Graeme Hough, Blu E66 Paul Berkavicius, Org B73 Trevor Harrison, Blu E58 Ron Dunn.</p> <p>Display Cars – The first car, an immaculate and rare Holden Brock Commadore 1985 VK Group A, purchased in 2005, has just been re-licenced.</p> <p>The second car, owned by Brian Tucker, Holden 1973 Statesman DeVille, has been completely restored by the previous owner. Brian related the interesting story and how was able to purchase the car off the previous owner.</p> <p>The third car, owned by Bruno Remigio, A Mini Moke, bought from Rockingham parked for 2 years, just got her going again, a fun car to own.</p>
Next	<p>General meeting on 12th April 2022 at 8pm.</p>
Close	<p>Closed at 8.54pm</p>

From The Workshop

RILEY

You must all be getting tired of my ongoing comments regarding the Riley but we are so very, very close to having the car finished. We are still waiting for the refurbished steering wheel but will hopefully see it back this week then we can finally take the car over the pits. There are still one or two tidy up jobs to do but certainly nothing major thankfully. Tony and Bob organised a trial drive a week or so ago and all went well, they did discover a small oil leak which has been fixed other than that they were both very happy. A potential buyer also had a drive and seemed happy with the cars performance although the gentleman concerned has withdrawn his interest. There is another interested party from outside the club who is showing interest and we will confirm his thoughts this week. If this comes to nothing we will wait until after the next club meeting and if there is no further interest from within our ranks we will advertise it on the open market, so if you feel you could be interested let Tony or myself know and we can organise a test drive for you. We did take the Riley to the Curtin car show and a lot of interest was shown, whether that develops into something remains to be seen.

WEEKEND TRIPS

I did say in the last Newsletter I would have some information on accommodation for the Bunbury and Hyden weekenders but have to admit to still be working on this at present. Next Newsletter without fail I promise. On the Hyden front there appears to be only three options, the Hotel/Motel, the Caravan Park and the Resort which is also run by the Caravan Park. We recently stayed at the Resort and found it to be good although the lounge furniture was a bit tired. We had a two bedroom unit which could sleep 6, there was a queen size bed and a single in one room and three singles in the other. A decent size lounge area and a fully equipped kitchen and a small covered in BBQ area outside. There is also the benefit of a large saltwater pool that is apparently saltier than the dead sea, quite a strange experience in the water, come down and try it out.

THE CLUB WORKSHOP

I am one of the intrepid gang that attends the workshop on Wednesdays and Saturdays and would like to say how much I personally enjoy the experience. I am lucky enough to have some skills and experience to be able to help with some of the projects that come our way as are many of the others that come along and play. My point being with this is that part of what we do is to help others broaden their knowledge and skill set while effecting repairs and improvement to the vehicles that come our way. In this area I think we may have failed slightly and I would like to see others try things that they haven't done before. I am happy to assist people with body repairs, especially the painting side of things, we can also as we have in the past get outside help with welding tuition and I know that Tony is very keen to encourage and help people with mechanical repairs as i am sure Bob would be as well. While relieving myself of the boredom at Curtin today I was reflecting on some of the major projects we have been involved in, the Riley of course being one but also Marks Frog Eye Sprite and Brian's FJ, all three being complete restorations along with several engine rebuilds and various other smaller jobs. There is plenty of scope to help others learn as we progress with these projects, for example on Wednesday coming we will be preparing and priming the bonnet for the Camry, as far as painting goes this is quite easy with a bit of assistance and there is the opportunity for at least two people to have a go. By the time you read this it will be too late for this particular job but you will get my drift. Anyway its over to you all you need to do is to put your hand up and join in the fun.

Have a Covid free life.

Alan Warner

0407886141

The rear part of our main building has been insulated with polystyrene kindly donated by Rob Hyde in gratitude for us re-building his Mercedes engine. The installation was done mainly by Graham Hough, Domenic Paoliello and Ricki Hanson (with help from others) it has cooled the area a lot and raised light levels as well so thank you guys and a big thank you to Rob and Lorraine for the donation.

Swap Meet 2022 - A New Location

We're looking forward to holding this years' swap meet at the Swan Italian Sporting Club in Middle Swan, where we had our Christmas dinner, and have been given a last minute reprieve with some of the Covid restrictions. Most notable is the fact that we will not need to screen people for Covid vaccinations so everyone is welcome. That being said volunteers will need to be wearing face masks if they are dealing with the public. It is strongly recommended that everyone wear a face mask anyhow. The virus is still spreading quickly.

I am overwhelmed by the number of volunteers' names on the list but also by the many members who have put in long hours in the planning and preparation stages. The behind the scenes work is often not seen but we couldn't run such an event without this help. Thank you everyone.

Hoping for a fun day with lots of sellers and buyers and of course volunteers. If your name isn't on the volunteers list you might not be awarded bonus points for the golden car badge. Please contact Tony to be included. Also be seen with your club shirt, hat and badge. Bring your old car, truck or bike and put it on display and go in the judging for the people's choice award. Our swap meet has become a major motoring event and we are being well supported by other car clubs and the general public. You can assist by finding us on the many sites on Facebook and liking the page to spread the word..

We also wish to thank our sponsor Rare Spares for the raffle donation and goodie bags.

See you there on the day; hoping for great weather.

Ray Smith

Swap Meet Coordinator.

COMMITTEE OF MANAGEMENT

2022

Tuesday, 27th April
Tuesday, 28th June

at 7:30pm at the Club Rooms
at 7:30pm at the Club Rooms

Hi all, I have created a group through Facebook called " Old cars and Things". It has posts of old cars, interesting things about old cars and historical events including people of the past.. This is a public group so you can have a look , join or post something you might have of interest.

Enjoy'

Debbie Paine

Phillip Island Classic Festival of Motorsport – 11-13 March 2022

The Phillip Island Grand Prix Circuit is undoubtedly one of the most picturesque and dramatic racetracks in Australia. Owned by transport magnate Lindsay Fox, it is best known for hosting the Australian round of the MotoGP and Superbike world championships. The circuit has a long history going back close to 100 years and is also home to the annual Classic Motorsport Festival. The 3-day event attracts nearly 500 classic and historic racing cars from around Australia and in pre-COVID times, the world.

I attended this event for the first time in 2020 and thoroughly enjoyed it. Come 2022, I was delighted when my friend, Charlie Mitchell invited me to "pit-crew" for him at the event, where he was running his 1949 'TS Special'. I was a little reluctant when faced with 14 days hotel quarantine on return but happy when restrictions became 7 days at home and then none, but more on that later.

Charlie is a stalwart of the Austin Healey Club of WA. He is particularly well-regarded for his enthusiastic organising of and participation in national rallies around both Australia and the world. Along with his wife Linda, they have driven far and wide in their beloved Austin Healey 3000. Charlie's motor racing exploits are less well known, but he is a legend in historic racing circles. He has campaigned his car extensively in historic events in WA for over 20 years but not in recent times, as the car now resides in Melbourne. Charlie has successfully raced at the Phillip Island Classic for the last 22 years straight, along with attending at Sandown and Winton. He has played an active senior role in CAMS (now MSA), administering motor racing.

The 'TS Special' beast was commissioned in 1948 by the then well-known West Australian motorsport identity and dentist - Sid Taylor. It was built by the Style brothers and completed in 1949. The name 'TS Special' incorporates the first character of both surnames. 'T' for Taylor and 'S' for Style.

The car raced in the 1951, 1957 and 1962 Australian Grand Prix's against names such as Sir Jack Brabham and Bruce McLaren. 1962 also saw the last of the front engine race cars compete in the Australian Grand Prix.

The original engine was a Dodge side-valve, but it was later removed to make way for a GMC truck engine. Fitted in 1954, it remains in the car to this day. It is mated to a 1942 Chevy Truck gearbox with close ratio gearing, engineered by legendary Victorian John Needham.

Charlie bought the car in 1989 and completed a full rebuild. Its first major outing was in a demonstration run at the 1993 Australian Grand Prix in Adelaide.

Charlie raced this car at the 2010 Bruce McLaren Memorial meeting which was held over two weekends at Pukekohe and Hampton Down raceways in New Zealand. He took out top spot and was presented the trophy by none other than Bruce McLaren's sister, Jan McLaren.

Charlie has continued to refine and improve the car with a great deal of thought, rigour and skill, but still in the spirit of its original build and the strict rules of historic racing. I am sure it is now faster and certainly much more reliable than in its hey-day.

With all these refinements, my job entailed little more than refuelling, polishing, a little moral support and proudly spruiking information about this special and unique Western Australian car to whoever would listen.

Charlie had decided to also compete in the Geelong Sprints, held the weekend before Phillip Island. So we arrived in Melbourne a few days before that to give the car a once-over at a friend's workshop. Fluid changes, work on the brakes and a clean were all that was required in between drooling over the lovely array of Austin Healeys for sale at The Healey Factory next door. Then, off to Geelong where a fellow AHC member kindly and generously provided us accommodation in his lovely home. He showed us around Geelong which has its own interesting and colourful history and seems to be thriving despite the demise of Ford vehicle

The Geelong Sprints is another long-time icon of Victorian Motorsport, consisting of a quarter mile sprint along the curving Ritchie Boulevard on the Geelong waterfront. As if the curve is not enough, after the finish there is a mere 200 metres to slow down on a narrowing track before reaching an intimidating tyre wall. The event attracts several hundred entries from old classics to moderns. The weather was unfortunately Melbourne-like, with the legendary 'four seasons in a day' erring on the wet. Charlie was a little disappointed not to match his 13.2 second pass from a previous visit to the event. However, 14 seconds was an excellent effort in changeable conditions, and slowing a tonne of TS Special from 100mph on skinny tyres with drum brakes on a damp track needed more than a little bravery. The run was good enough for first in class and a nice little trophy! The field of mostly internal combustion engine cars put up a gallant and impressive effort but, as a sign of the times, the quickest 10.8 second pass was achieved quietly and without any drama (boring!) by a Porsche EV.

Back to Melbourne for a thorough check, clean and new front wheel bearings, before the 150km drive south to Phillip Island. In contrast to Geelong, we enjoyed delightful weather for our entire 4 day stay. The circuit is as impressive as I remember. It is 4.5km in length with 60m of climb. There are no straight bits except the main straight, and parts have dramatic ocean views although Charlie assures me that you do not notice them whilst out on track. For the less adventurous, there is a 750m go kart track that is a replica of the main circuit. Race engines must stay silent from 5PM to 9AM but in between there is full-on noise, colour and activity.

The cars are combined into ten groups, each with two races a day. There were also two regularity runs a day, which saw a track limit of a crazy 60 interesting historic cars out circulating, trying to match their nominated times. I enjoyed the production sports cars races especially the insanely quick little MG Midgets of the Meyer brothers. These were right up at the very pointy end, snapping at the heels of the fastest Porsches and V8 Camaros and Mustangs. 2022 is also the 50th anniversary of Brock's first win in a Torana GTR XU-1. As such, the owners put on an impressive static display of nearly 50 cars to commemorate it.

We shared our garage with interesting cars from Charlie's group. These were mostly 1950's specials, two with Repco Holden engines and a couple of Lotus 11 replicas. The famous Mack Healey (an open wheeler built on a on an Austin Healey chassis and running gear) was in the next garage. Many cars suffered from various fuel, electrical and cooling issues that progressively got sorted during the weekend. The TS has a healthy roar at full throttle, to say the least, but popping and flames are not normally in its repertoire. The cause was quite quickly traced to a broken exhaust manifold tube. It was removed and after a trip to a helpful workshop in Cowes and a missed practice session, TS's normal voice was restored.

The safety car plagued two races and Charlie ran a little low on fuel in another. Other than that, Charlie had a strong performance against mostly newer cars, with some enjoyable tussles along the way. The battered looking, but immaculately prepared 1948 flat-head Ford special of Graeme Raper dominated the class. Malcolm Reid achieved the fastest time in his 1955 Holden Repco engine PRAD Mk3. Unfortunately, it had ongoing issues that prevented it from finishing all but one race. As well as the track, our garage was also fun, with it seems an endless parade of friends Charlie has made over the years popping in to say hello. A highlight for me was meeting Joe Ricciardo, F1 star Daniel's dad.

All loaded up, a pleasant celebratory dinner was had and we returned to Melbourne to put the TS to bed until next time. All in all, it was a thoroughly enjoyable experience and I thank you Charlie very much for the opportunity. I must also thank fellow AHC members for their generous and friendly hospitality.

As an epilogue, I decided to stay back for a few days to explore the spectacular scenery around Port Campbell and drive every inch of the Ocean Road from Warrnambool to Torquay. That was very enjoyable too. I am triple-vaxed and spent most of the time by myself in the car or in accommodation, and of course I tried to 'social distance'. But I had a worrying scratch in my throat on my third day and decided to take a RAT. It delivered a negative result, so I returned to Perth only to test positive to two RATs. I got to enjoy my own company for a week after all!

This does not detract from a fun time and if you get a chance to attend the Phillip Island Classic, I thoroughly recommend you do so.

Dave Currell

NON VAA EVENTS CALENDAR 2022

50th ANNIVERSARY YEAR

MTH	Date	DAY	TIM E	EVENT	ADDRESS	CONTACT	PHONE #
April	7 th 14 th 21 st 28 th	Thurs	8:30 am	Kalamunda Chrome Bumper Group. Meet every Thurs	Gracies Café on Berkshire Road, Forrestfield	www.tsoa-wa.com Lyle Metcalf	0417 993 631

FASTEN YOUR SEAT BELTS - APRIL IS HERE

SUNDAY, 10th APRIL

VAA Annual Swap Meet

9th April – Preparation in advance of our Annual Swap Meet the next day (at clubrooms). Loading of everything to take to grounds first thing on Sunday morning.

10th April – Swap Meet at the Swan Italian Club, Middle Swan.

roster has been compiled.

Volunteers on duty from 5:00am to help set-up, and throughout the morning.

SUNDAY, 24th APRIL, 2022

20th Anniversary of the Official Opening of our Club Rooms and the launch of our 50th Anniversary Book "Past Times"

Calling on Members for your help – could you please let Loris know if you are able to help with any of the following (phone: 0402 032 270)

Busy Bee on Saturday 23rd Need helpers (in the morning) to clean-up inside and outside the Club, toilets, grounds, workshop etc. so, if you have some free time, your help would be appreciated.

And on the Sunday 24th.

The 20th Anniversary of the Opening of Clubrooms and Book launch.

Apart from bringing our your 'oldies' and joining in the procession starting at 1pm from Guildford, I am seeking some extra help throughout the day:

Need volunteers in the morning of the 24th from around 9:00am to help put up gazebos, tables and chairs.

Need volunteers in the morning to set-up urns, cups etc.

Need volunteers on the day to be parking marshals along Helen Street and behind the Club Rooms.

Need volunteers in the Kitchen to help with afternoon tea food preparation.

NEED SOME VOLUNTEERS TO EITHER BAKE A CAKE/SLICE (speaking of slices, Jon Jon, did you know you make the BEST chocolate brownies?????)

BOOK LAUNCH

Our 50th Anniversary Book titled 'PAST TIMES' is currently being printed and will be presented at the 20th Anniversary celebration and will be available for purchase at \$35 per book. It is a limited print run of 150 copies, so you will need to get in quick once they go on sale.
