## From The President's Desk

Well, another month and another report. We had a busy month in September with the run to the Aegis aged care home. Lovely to see so many members supporting our community activities. Nursing homes can be dull places for some residents so taking some old cars so they can remember old times is such a worthwhile and rewarding event for them and us. A big thank to those who came.

We had over 20 cars to the Curtin Classic Car show which was a great result and shows that you are still keen to get your cars out and about. I particularly liked seeing Gertie the Caravan which Loris Cooper, Kevin Locker and I restored and sold onto Peter and Mary Egan. There was a queue to peek inside throughout the whole day. The show was quite large this year and I found it pleasing to see some newer members coming out to join us. It was also a good opportunity to catch up with other clubs and see what they are doing.

We had a good turnout also for Cars, Coffee & Cake in September, probably the best for a long while, perhaps it is the warmer weather bringing members out.

Next month we will either go for a drive to perhaps Bindoon, Toodyay or York. We may even go to Grace's Café' in Forrestfield and meet up with some of the VCC and Riley club members for a change, watch this space.

I would like to welcome Ella Paoliello to our VAA family. Ella will be helping with our Past Times Magazine for a few months. I am looking forward to seeing our magazine through younger eyes, so keep those articles coming. They may not appear in the month you want, but rest assured, they will find their way into the magazine eventually. Please remember, if you send photos through, to caption them, as not everyone knows everyone.

## 1960 Ford Fairlane 500

One evening I dropped into Alfreds Kitchen Guildford for pea and ham soup. I was driving my 1961 Ford Ranch wagon. Whilst in the car park, I was approached by a gentleman. As you know that is not an unusual event when you are driving a classic vehicle. I was surprised however with what he asked, "do you need any parts"? I asked what he had, he said a whole car!! You have a Ranch Wagon? You can imagine how quickly I arranged an appointment. To my amazement, in an old wooden framed shed at the back of his business premises, he showed me a 1960 Ford Fairlane. He had not exaggerated very much, strictly speaking it was a whole car but in pieces. Apparently, 10 years earlier he had decided to restore the car but after taking it apart, he realised the project was far too big for him, so it sat gathering dust. In recent times, he had started to sell parts, unfortunately, the motor, gearbox and bench seats had already gone, but we quickly made a deal. He left me to rummage through and take photos, telling me to lock up when I finished.

I bought my 1960 Ford Fairlane 500 on the 11th of December 2021. A mate and I did 3 trips with his box trailer leaving the body and Chassis for a car trailer. We had everything home before Christmas. In the New Year at the age of 74 I started the rebuild. As luck would have it, I was able to track down the original motor and gearbox. The buyer had not had time to do any work and was happy to let them go. The seats had been sent to China for restoring, but the owner had lost track of them. I advertised and found a front seat in Myalup. I had to change the recline mechanism from left to right hand drive, a job I was able to do myself. I then discovered the back seat from a 1958 Ford Custom line was a perfect fit, so my car was finally complete.

It took me 12 months, with the help of Vegemite and Milo, to restore the Fairlane in my daughters shed. I did most of the work myself and felt very proud when I took her to the upholsterers for her final finishing touches.

## VAA Visit to Aegis Aged Care – Parkview Village, Redcliffe

### Friday 8th September 2023

What a lovely day it turned out to be. We had eight cars in attendance. The home closed off the car park for us, which was great, as we had the space to park in every second bay so that the residents could move around our cars with their wheelchairs.

We were not allowed to take photos of the residents, hence, there are only a few photos to share. The residents were delighted to have something different to see and to do which makes these events so much more than us showing off our cars.

It was lovely to see Willie Siroen take a car along. Willie as a life member, really shows how much he values our club and the lengths we go to in order to share our passion.

This home, was the last home, of our recently deceased Cynthia Payne, who passed away here last December. Loris and I made many trips to visit Cynthia. The staff including Mark Atkinson's wife, Debra, who works at the home, remembers Cynthia with fond affection.

**VAA Cars Parked up at Aegis Parkview in Redcliffe**

We had a total of 8 cars present which was adequate. Domenic's Cadillac 53, Bob D'Jong's 42 Chev, Mark McKenzie's Mk2 Zephyr, Tony's 66 Daimler, Brian Tucker's EK Holden, Willie Siroen's Hansa, Loris in the XJ6 Daimler, Mark Atkinson in his recently restored Sprite.

We do need more members to help with this type of event, as residents in homes like these, really do need some stimulation to retain their sense of purpose and to remain connected with the outside world. This is a role I enjoy, and I hope we can persuade some more of you to assist along the way.

## September monthly mug winner

The winner of the September monthly mug, was Michelle, a VAA member and the owner of a VW Beetle. Along with dad, Peter Egan, travelled from Mandurah for the meeting in Peter's EH Holden.

As Michelle works in real estate, the mug will be handy for business cards and pens.

This Septembers monthly mug was in memory of Ron, one of the founding members of the VAA, membership number 25.

After winning the April monthly mug, in memory of the Anzacs, Ron quietly said to me he was hoping he would win or be able to choose the monthly mug, but he would have preferred a bottle of Emu Export not the Swan Lager.

Often reminiscing the early years of the VAA where picnic runs were popular, where it was normal to take a sandwich and thermos flask. That is why, I believe the annual car run to his farm at Talbot, was special to him in recent years. As members had a picnic and barbeque in a rural bush setting, with no coffee shops within cooee.

As a tribute to Ron, the September monthly mug, included a bottle of Emu Export. Not the traditional thermos flask, but it was a thermos cup, at least it's called Thermos.

## A thank you message, from the Cullenane's

I would like to say a very big THANKYOU to Bob, Loris and Tony for thinking of us and arranging for Bob and yourselves to come and get us, and take us back to the facility where Neville is in care. It was very much appreciated and very emotional, especially for Neville. Once again, thankyou so much! He loved seeing so many of the members again, even his first girlfriend was there, (when she was 15, unreal and he was 17 !!! ).

How time has passed. Neville has so many happy memories of the old days at the club in Mundaring. Then the awful loss of all the memorabilia of the early days of the fire. Then the exciting days of thinking that, maybe, they could buy their own club rooms and when you did, he would spend as much time as he could helping to get it ready for use. He was on the building committee, as he was a builder, as was Robert Hyde.

I think a lot of the new members, probably don't realise how tough it was back then. I know when we were asked to contribute to the funds to purchase the building, we gave as much as we could at the time, but Neville said he would do as much as he could provide with his time to make it happen. When he wasn't at work, I knew where he would be, up at Bellevue till after dark, getting home after a long day well after 8 pm. He is so proud of what the Club has achieved over the years and I know he misses it terribly. Unfortunately, that's what happens as we all get older.

I hope you all enjoy your Club and never forget the history of the older members. Some have now passed, but some are still with us.

Once again many, many thanks,

**Maxine and Neville Cullenane**

## CURTIN FM CLASSIC CAR SHOW – SUNDAY 17TH SEPTEMBER 2023

**Line-up of VAA Club cars**

**Steve, Pauline and Adele Velden with their Blackbird**

The 17th of September saw 7 of us leave the clubrooms to travel in convoy to the Curtin Classic Car Show. It was quite cool in the morning, but the weather got warmer as the day wore on.

This event was being organised by Troy and Lorrell De Brenni. As they tend to do everything together, they had both managed to get the flu at the same time, so unfortunately, could not make it.

When we arrived at the venue, we were met by many members who went straight there. We had a total of 22 cars and one caravan in attendance which was a great result.

The variety of our cars made for an interesting spectacle. The earliest vehicle was the 1925 T Model roadster, owned by David Laurie, and the latest car was probably Tony Warner's 1986 Daimler.

It was lovely to see Trevor Harrison out for the day from his nursing home. A very nice gesture by Pauline and Steve Velden. Trevor looks very well and enjoyed his day out and chatting to other members.

**Lance Glew in a 1940 Ford Sedan**

**Mark McKenzie in his Mk 1 Zephyr**

**David Lourie in a beautiful 1926 T Ford and a Datsun 280**

**Bob De Jong came in his Chevrolet**

**Michael Van Den Broek and Debbie Sprong came in their Mercedes**

**Kevin and Jan Sadler in the Chevy Cheyane pick up**

**Ron Bracken in the HQ Station wagon**

**Trevor Harrison**

**Gretar Jonsson in his T bird**

**Rhett Turley in his 69 Ford Cougar**

**Peter Egan with Rob & Dawn Morse from the Daimler Club**

**Steve Hollis and family with the Shark Nose Willys**

**Bill Redeckis with his 1935 Ford soft top pick-up**

**Mary & Peter Egan in the EH Premier and were towing Gertie the caravan.**

I think it is only fair to say, as it was 'Gertie' the caravan, who had people lining up for a look inside and the 1925 T model roadster which stole the show from our collection.

There was also Brian Tucker in a 1949 Morris minor, Jason Ferris and Sian Owen in their Chrysler, Sue Fletcher had her 1946 Oldsmobile, Peter and Christine Goldsmith had their Chrysler, Brian Rodwell in his Ford Marquis and finally exhibiting with the Chrysler Valiant group, was Paul Berkovicious and his White Knight. All in all, a great day out, with lovely company and an opportunity to reconnect with other clubs.

A big thank you Gretar Jonsson for supplying some great photos.

**Tony Warner and Loris Cooper**
