SUNDOWNER BBQ

The sausage sizzle sundowner before our monthly meeting is on again and thank you to those that set up the BBQ and do all the cooking.

Robert 9279 3506 or 0418 917 133

Mid-Week Run

Wednesday 9th August 2017

Our last mid-week run to our place was well attended and I hope you all enjoyed your treats at the Hedgehog Café.

Our next meeting place is at Brian Brookes' residence at 254 Stanley Road, Byford. We are then heading to a new and large transport depot at Kwinana. Morning tea is provided.

Brian 9525 4664 9.00 – 9.30 am departure. See you there.

Robert 0418 917 133

New Members

I and the Club would like to welcome the following new members and we look forward to seeing you all out and about in your vehicles.

Please see Shirley Everett 0424 422 270

PRESIDENT'S REPORT

For those members that did not attend or were unable to attend our last meeting which was our AGM, nothing much has changed. All 3 positions at the front table have remained the same except your Secretary has now also taken on the role of Club Registrar. This is quite a busy role at different times of the year so I thank him very much for putting his hand up for this job.

Our now retired Registrar, Mr. John Young, has done a great job over the last 17 or so years.

Thank you John for setting all of this up for the Club and probably making it a little easier for the next person to take on the role.

12 Months ago a lady from the government attended our Club-rooms, plus about 40 other Clubs also attended for an update on Club Constitutions. Ours has not been up-graded for approximately 20 years.

Our member Amelia has typed up the whole Constitution and put it onto a thumb drive for Tony & another member or two to look at it again and bring it up to today's standard, thank you Amelia and also the other members that are sorting it out.

Our President's lunch was a great success with about 45 members and friends attending our lunch and run to Quindanning. Pictures of the event will be in the magazine and so I personally thank you for your attendance. Not sure about next year, but a lot of you seem to enjoy a 1 ½ - 2 hour run in the country.

Speaking of runs, our next major event is John Buise's Vintage Tin Run which promises to be another excellent outing into the country and people's back yards, thanks John.

You may notice a slightly different format in this magazine as Tony & Loris have re-designed a couple of areas and hopefully that will make it an easier task for our Editor. I know you weren't at the AGM Frank so I guess it is okay that you were voted in again. (All Ok ED.)

Debbie and Martin are now printing our magazine at their home so hopefully that makes it a lot easier for these 2 willing members. Thank you once again for taking this job on.

Not much else to say except thank you to all the members who have put your faith in us 3 to do our bit for the Club. Don't forget though it takes a lot more than us up front to keep this Club going so thank you to the many who help out for the various jobs. I have said it before and I am proud to say it again, what a great Club we have. It is also great to see most of the seats occupied at our meetings.

Safe Motoring

Robert Hyde

From the Secretary/ Registrars desk

Fellow members thank you very much for having the confidence to elect me to both of these positions you can be assured I will do my best to fulfil those duties the very best I can.

I am not sure if you all realise it but John Young had been the club registrar for 19 years so we all owe him a big thank you for looking after us for so long.

I do know that one of John's frustrations was members not letting him know when there was a change of address, phone number, email and vehicle holdings etc, given that we are starting to prepare the club register for the 17/18 year can I ask you all to check on last years register and make sure that we have all of your details correctly recorded.

If there are changes can you please email, text or write to the PO box and let me know. In addition please make sure that we have your email address so that we can advise or remind you of coming events.

We are going to make Wednesday mornings at the clubroom a regular event for those of us lucky enough to have retired, if we do not have a vehicle to work on we will be doing some maintenance around the clubroom and grounds, call in for a cuppa or lend a hand with what ever needs doing. The mid-week runs will carry on as usual.

Kind regards,

Tony Warner

0417 555 073

Vintage Tin Run #2

Friday September 1, Saturday September 2 and Sunday September 3

Welcome to the South West

Caravaners and campers are all welcome to stay overnight at John's Patch.

A barbeque (please bring your own BBQ pack) will take place at John's plus the traditional big fire will be going of course as it gets bloody cold at nights here.

Also, bring out some chairs; they fit your backside better than mine and besides I don't have enough.

Please RSVP John on 0408 954 773.

Friday 1 September 2017 (12 for 1 PM Start)

The run starts in Brookton, at 1 pm, town side of the caravan park, where we meet – watch for the signs with the VAA logo and VTR and red arrows.

If you miss all or any of these, phone John on 0408 954 773.

I will hand you a run sheet for the three days

- 1st Stop Just a short walk to Geoff Forward's place.
- 2nd Stop For the Ladies, mostly, the good sized bric and brac shop in town.
- 3rd Stop Ken Hall, 2 km south of Brookton.
- 4th Stop John Tate's at Yornanning.
- 5th Stop John's Patch, 902 Cuballing East Road, Cuballing – overnight stop.

Saturday 2 September 2017

9:00 AM we leave John's Place and head for Wickepin where the Community Shed is waiting.

Ladies, have a look through the homestead, walk through the bush museum, to check out the farm machinery restored by the Ladies Shed.

Then to the shedders for a cuppa at a cost of approximately \$7.

The men are invited to go to the old tractor shed and meet Ausie, the owner of the old garage, tractors etc.

At 10:30 (Approximately), all assemble to leave for the Highbury Tavern and Lionel Brooks place next door. Something different: A man's collection of toys.

After this a well deserved sit down lunch at the Tavern - pay as you order.

After lunch, we are off to Wagin to check out two truck yards which, I'm told, are worth a look.

Then we hit the road, back to John's Patch to enjoy your BYO BBQ pack, cooked on my BBQ.

This trip, it's all blacktop driving, so bring your old trucks and cars.

Sunday 3 September 2017

9:00 AM, we leave John's Patch and head back to Narrogin to Guillio's workshop, then to the Narrogin Restoration group's museum for a look see and a cuppa.

And then...That's all folks - it's home time.

Please ring your Club rep the number of people, vehicles vans etc planning to attend for me to plan parking.

Phone numbers: Cuballing Tavern 9883 6032
 John Buise 9883 6570 or 0408 954 773

Hope to see you all here and there.

Happy motoring.

John Buise.

York Motor Show – Sunday 2 July

Brrr....it was a very cold morning, by the time we reached York we had thawed out and feeling a little warmer. Attendance was a little low this year, however after a good pie & a hot coffee at the bakery shop and there were some interesting collectable shops to browse through. I think Sasha was the best dressed in her new coat.

South Metropolitan

SMT0115 Automotive Panel Repairs Introduction

State ID: SMT0115

About this course

This short course is designed to teach the basics in automotive panel repair. Taught in our Carlisle mechanical workshop this course guides you through occupation, health and safety principles whilst teaching

- Automotive body repair techniques.
- Mig and oxy welding on light gauge metals.
- Basic metal finishing techniques and panel repairs.
- How to correctly use and apply automotive body fillers.

If you have a car panel you would like to repair you are welcome to bring it along, however please remember you must take the panel home with you at the end of each night.

You are required to wear personal protective clothing at all times which includes steel capped safety boots, clear safety glasses, long pants and long sleeved shirt.

This course is not accredited.

Fees

\$390 in 2017
