PAST TIMES

From The President's Desk

Hi Everyone,

November was a quieter month than most with the main event being the Melbourne Cup lunch. Tom did a great job with the organization and the day went very well indeed. Tom and Loris sold over six sweeps, so there were a lot of winners. I think everyone had a good time.

We have the Christmas lunch coming up at the same venue. This looks to be another great event. At the time of writing, our numbers are down a little from the past few years.

The annual breakfast is being sponsored by Brian and Mary Tucker. This event is one of the most popular events on the calendar. We have had over 30 classic cars in attendance in recent years.

EH Holden Club is having its sunset event at the Swan Athletic, Mc Donald Street Herne Hill. We had a great showing last year, so I hope to see many of you there.

The Valentine run in 2024 will be at the Swans in West Swan Road, with plenty of undercover seating and shade on Saturday the 10th of February. More information next month.

On a rather disappointing note, both Troy and Lorrell De Brenni have resigned from their committee positions. The reason is that they were very shocked and disappointed when they were the only bidder for the Chevrolet rolling chassis and parts. When they went to pick them up, some members had helped themselves to some of the parts. The email to our Secretary is as follows;

"Hi Loris,

Please know that our reasons for resigning have NOTHING to do with you or Tony.

We have decided that it would be in our best interest. This is as a result of the Chevy parts debacle and the honesty of some members or should I say the lack of".

This is a very sad day for the club, as both of these two members have in the past two years done so much for the club. During the Anniversary year, they were the only members to attend EVERY event. They both stood up to help at every opportunity. To say I am disappointed with this outcome, would be a gross understatement, and on behalf of the club, I apologize for the behavior of a few of our members.

The club constitution allows for casual vacancies to be filled by the committee, so at the meeting on the 28th of November, Brian Tucker was elevated to the position of Vice President. Graham was asked to come back onto the committee, which I am happy to say he has agreed to. We are on the hunt for a Treasurer, so if you know someone with some bookkeeping skills and is familiar with basic PC skills, we would love to hear from you. Training in MYOB our accounting software will be provided. With both Brian Tucker and myself able to sign off on payments we are OK for the short term but we will need a Treasurer soon.

Ella Paoliello is taking a break over Christmas, heading off to Japan, so we need a volunteer to produce a short newsletter-style magazine for January, as our printers are closed during the time we need the magazine printed. No volunteer, no magazine.....

My internet service provider has stopped me from sending bulk emails out. I am migrating to my Outlook email address, which is, Fergalp@outlook.com note the CAPITAL F. Please try and use this going forward and please try to make sure my emails do not end up in your spam mailbox.

All that is left for me to do is to wish you all a very Merry Christmas and I hope to see you all at the 2024 events.

Daimler Double

The Daimler V8 owned by Tony and Loris was purchased from Echuca Victoria about 5 years ago. It has been to Bunnawarra twice and used extensively over the past few years. Apart from a catastrophic cylinder head failure it has in the past been very reliable.

“I recently had the transmission overhauled and am very pleased with the way it is currently running. It was one of two of the last meeting Dean Channer. Unfortunately, the photo with both was not good enough for the magazine. Seems you can have too much of a good thing.”

Buick owners

My name is Rick Beazley, current President of the Buick Owners Club of WA. We are holding a Buick National Meet at Busselton next year from the 9th of October 2024 to the 13th of October 2024.

I was wondering if you would be willing to place this notice, as attached, into your "Past Times" magazine? Please let me know if there is a fee involved. It would also be very much appreciated if you might be able to put in a bit of a plug for our event? For context, although primarily for our club, we would love to see and meet some of the numerous Buick owners who are out there. This event will involve a registration and meet & greet on Wednesday, followed by two days of planned driving around the Busselton region. A car show is planned for Saturday morning, followed by an awards dinner. The final morning will include a breakfast for those heading off, while some of us intend to remain an extra day with an informal run. A complete costings and application form is currently being prepared and should be available in the new year.

I thank you in advance,
Rick Beazley

Buick Nationals

The Buick Owners Club of WA cordially invites all Buick owners to our National Meet.

To be held at Busselton, WA, from the 9th to 13th October 2024

Open to all models of Buick, restored to modified.

Expressions of interest invites, please contact Harold Hitchcock

Donation to the workshop

The workshop crew recently did some work for Bob O'Callaghan on his Ford Capri, a car that had not run for almost 20 years. I am happy to report that the car has now been pit passed and is ready for license. Bob drove it home a week or so ago. As a token of Bob's gratitude for the work the workshop has done, Bob has purchased and donated a sandblast cabinet to the club.

We will get a good deal of use from this item, I am sure.

Please make a note while we change all our stationery

Gabby and Mitchell's Wedding

“I was super grateful to be able to arrive at my wedding in such a well taken care of classic car. Dom drove my dad, mum and I to the venue in style and we thoroughly enjoyed our trip. The interior of the car was lovely and super comfortable, and the exterior made for great photos. Thank you Dom for being a part of my special day!”

November monthly mug winner

November's monthly mug winner was President, Tony Warner. Tony is looking cool pouring himself a glass of Madfish Red after chairing another successful meeting.

Missing in Action

The photo of the Chevrolet wheel cap is an example of something that went missing from the Chevrolet parts purchased from the club by Troy and Lorrell De Brenni.

I recall putting a box of at least 8 of these on Rob Hyde's truck when we picked up all of the parts. They are nowhere to be seen. If you have them, can you please return them to the club, as they belong to Troy and Lorrell

**Kind Regards,
Tony Warner**

Message from the VAA events committee regarding the management of club events

In the absence of a dedicated Events Coordinator, we ask club members to put forth any suggestions for proposed club events for 2024, through the VAA Events Committee, by completing the VAA 2024 Events Suggestions form and placing them in the suggestion box in the club rooms or giving them to the Secretary.

This includes not only the suggestions specific to our own club but also those events that are deemed to be 'Other Club Events'.

It is hoped that Club Members who propose an event may opt to take on the overall responsibility for organizing an event, from beginning to end. They would be provided with a set of guidelines for organizing an event and be assisted by the Events Committee as required. However, the Events Committee would be happy to coordinate a suggested event if you are unable to and if members are keen to support it.

The VAA club Secretary will assist by receiving the Suggested Events and confirming dates and maintaining the VAA Events Calendar and forwarding any emails regarding an event onto members.

You can get a blank copy of the form from the clubrooms
