## PRESIDENT'S REPORT

Another great month for the club in June, we had a record 13 cars turn out for the Claytons run on the Thursday after our meeting. A big thank you to Bob Hyde for organising it. A beautiful sunny day as well which helped.

As far as events goes what a spectacular Gala Dinner and Vintage Fashion Parade we had. My congratulations to all involved with not just planning but also taking part, far too many members to mention but they know who they were.

We did lose a couple of members due to covid who could not attend, but a great time was had by all that made it.

As this is the last meeting for the club year, I must thank the committee of management for their support throughout the year we have had a very constructive relationship and I hope members can see some of the results from that around the building, we now have a new crossover and solar panels to name just a couple of items.

The events planning group for me has been a revelation, they have managed to pull off some sensational events and in conjunction with members chasing points for the Golden Anniversary badges, we had had some terrific turn outs for all events, much more than I have ever seen in my 11 years of being in the club. The events committee were ably led by Loris Cooper, I offer them all my sincere thanks for the time and effort they have all put in to this our 50th Anniversary year and we still have five months left to go.

We also produced a book collating the 50-year history of our club with contributions from many current and past Presidents, the first drafts were sent to Ian Medcraft, Ray Smith, Ron Perry, Bob Hyde so I am confident that the content is as accurate as it can be. In due course there will be a copy(s) sent to the State library. We still have copies for those that would like to buy one or more, a great Christmas present perhaps?

This will be our Annual General meeting as well as our monthly general meeting so please consider stepping up to help your club where vacancies exist you will find it very rewarding.

One final comment before I sign off. It has been a tradition that some of you bring something to eat after our monthly meetings, your club provides a sausage sizzle at no charge to members but we seem to have forgotten to bring some supper! How about giving it a bit of thought, see you at the July meeting.

Kind Regards,

## VAA 50<sup>th</sup> Anniversary Gala Dinner & Vintage Fashion Parade – 25<sup>th</sup> June 2022

Each and every person on the Events Planning Committee must be congratulated for organising a really outstanding event. Everyone contributed in many different ways. Going back six months ago, the whole group visited the various suggested venues, finally they jointly agreed that the Gosnell's Golf Club would be the most suitable. Gosnell's Golf Club certainly met our every need and beyond.

Then it was down to planning the finer details. Different members took on different tasks, Cheryl Glew took the task of the fashion parade on, Sylvana Paoliello offered to make fabric table runners and then brought together suggestions for table centrepieces and made them. The end result was stunning.

Cheryl Glew, spent many months sourcing vintage costumes and accessories for the fashion parade and finding models to fit those costumes. The models were drawn from the men and ladies of our club, as well as from friends and family. Cheryl's work didn't end there. The parade had to be scripted and music selected to fit each era of clothing. Cheryl researched each era and compiled fantastic dialogue to suit each era. Then, music appropriate to each era had to be selected, (fortunately we had sourced the perfect DJ to work with Cheryl).

Other little bits that added to the smooth running included a seating plan, with table numbers made in the design of a car number plate.

Guests arrived at 6pm and were treated to drinks and canapes on arrival, 6:30pm we were all seated and shortly after Club President, Tony Warner gave a short welcome. Entrée of a rice and mushroom risotto was served at 7:00pm.

Shortly after we had our first Guest Speaker, Martin Paine. Martin is one of our longest serving members, in fact, one of the original members going back to when the club was first formed in 1972.

Martin gave a very interesting account of the past decades.

We then moved onto some special presentations. Vice President, Domenic Paoliello presented Life Membership badges to those that were present; Martin & Debbie Paine, Ron & Jenny Perry, Ray & Val Smith, Trevor Harrison, Willie Siroen, Ian & Maria Medcraft and Rob & Lorraine Hyde.

Certificates of Appreciation were awarded by Brian Tucker and Peter Egan to members who have contributed significantly over the past. Those who received awards were; Shirley & Neville Everett, Dave Currell, Mark McKenzie, Domenic Paoliello, Bob De Jong & the Workshop Boys, Graeme & Rhonda Barton, Frank Ferrari, Graham Hough, Cheryl Glew, Sylvana Paoliello and Cynthia Payne.

The main course came out at 8:00pm and there were alternate drops of prosciutto wrapped stuffed chicken or chargrilled sirloin steak after which our second Guest Speaker, Allan Caddy was introduced.

Allan Caddy was the second President of the Club in 1976 and then for a second time in 1980. It was very rewarding for the members to hear Allan's comments on how pleased he was to see how the club has so positively continued to thrive over the years.

A lovely dessert of Lemon Cheesecake was served at 8:45 and shortly afterwards the excitement picked up as the fashion parade commenced.

The models all 'strutted' their 'stuff' like true professionals. Keep in mind they were not professional models, but simply club members, they had a 'ball' and the audience enjoyed the humour. There was even a short rock n roll dance done by Tony & Loris, Gary & Dot and Alan & Linda, and Dan & Kathy, midway through. There was a big sigh of relief from each one once everyone had done their part.

With all the formalities over, everyone could relax and enjoy the entertainment put on by DJ Gary. We were so lucky to find our DJ Gary O'Callaghan and his offsider Troy. Gary also acted as MC for the evening and kept the schedule on track but also provided some great music and interaction with the guests through to the end of the evening.

Unfortunately, you are going to have to wait till next month's edition of Past Times to see more photos from the night, but the wait will be worth it I can assure you.

### **Gala Fashion Parade**

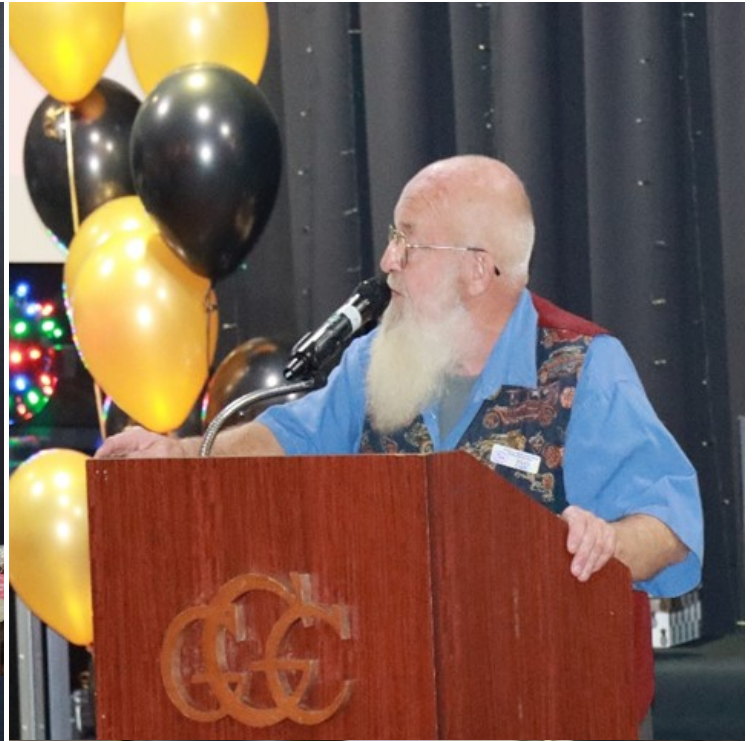

Thank you to our generous club members who loaned garments and accessories, we certainly had an interesting array of vintage fashion.

Thank you to our wonderful volunteer models who brought the garments to life with so much enthusiasm and humour.

I would also like to thank club members and events committee for their ideas, support, and encouragement over the last 12 months.

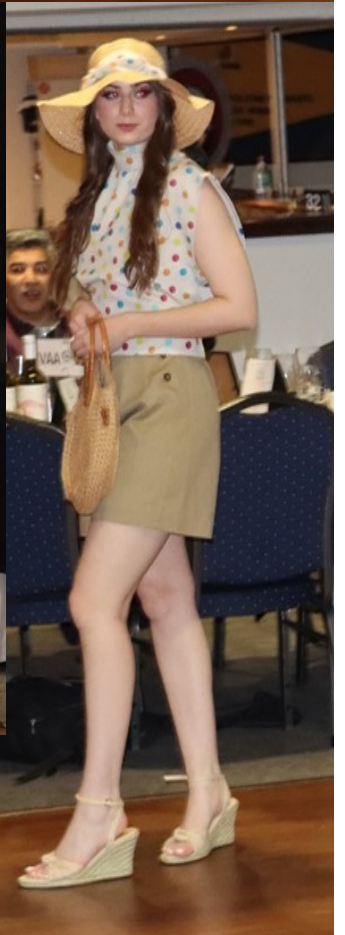

Thank you all.

## CLAYTONS RUN

The next Claytons run will be on Thursday 14th July meeting at the Club Rooms at 9.00 for a 9.30 departure it will only be a shortish run heading up the escarpment and meandering through the hills to a pleasant little cafe for morning tea. It will be a shorter run than the last two and should allow everyone to be home for lunch. I had hoped to be able to visit a premises in Maddington where the owner has 23 Rolls Royce's in various states of restoration but unfortunately he wouldn't allow us access. Maybe next time.

## BUNBURY WEEKENDER

At the moment we have 19 hardy souls heading to Bunbury for what should be an interesting weekend. We are mostly booked into the Rose Hotel except for some who are arranging their own accommodation. We will be having an evening meal at the Rose Hotel on Saturday evening and breakfast on Sunday at the Back Beach Cafe, this is a pleasant location alongside the surf club and overlooking the ocean. We will be visiting the Gardiners museum at Dardanup on Saturday afternoon and on Sunday after breakfast we will head out to Dardanup Heritage Park where we can also have lunch in their delightful cafe. I hadn't realised when I organised this run that so many would stay over on Sunday night so haven't organised anything for breakfast or an evening meal but on the recommendation of the esteemed Robert Hyde I thought we might enjoy breakfast at the Dome which is also a good location, we may have to wing it for the evening meal but I will talk to those going and sort something out. For those interested we can visit the Bunbury Motor Museum before heading home. If any late comers wish to join us they will be most welcome but will have to organise their own accommodation and also let me know if they wish to join us for any of the meals so that I can change the bookings. That's about it from me this month, see you at the meeting.
