

July 2024

PAST TIMES

1986 Series 3 XJ6 Jaguar

From The President's Desk

Well, it has finally come my very last President's report.

During my time as Secretary under Robert Hyde I missed only one meeting, apart from the Covid era. I am particularly proud of that record. I have always found it easy to be at the club and participating, but as we all know nothing in life is more certain than change and so I depart without regret.

I leave the club in great financial condition, we have over \$48,000 in the bank, and we have two cars that will be sold and return over \$30,000 to the club.

I have had so many phone calls from members, who we do not see very often, and over 30 emails from other members all thanking me for services rendered. In all honesty, the thanks I get is seeing 15 to 20 members turn up on Saturdays and Wednesdays, seeing the funds in the bank, and seeing a fully equipped workshop mostly by donation. We have a club we can all be proud of and that is down to you all as well as our committee of management.

The run to Dwellingup was a lovely day albeit a bit long. Barry and Dot did a great job organizing. The weather was sensational and as tail end Charlie, I did not have anything to do except drive. A little disappointing with the low number of classic cars, but well done to those who did take an oldie out.

I would like to take this opportunity to thank past and current committee members for their support over the past few years. I also would like to wish the incoming committee all the very best going forward. It is not always an easy job but, making decisions based on what is best for our great club, will reap much success.

Kind Regards,

Tony Warner
President

Workshop boss Bob Dejong assisted by Rob and Trev restoring the suspension of the Jag

Run to Dwellingup and Hotham Valley Steam Ranger Ride

What a lovely day we had on Sunday the 23rd of June. Barry and Dot Ryle organised a run to Dwellingup for lunch at the Long Riders Cafe. After lunch, many of us took the opportunity to take a trip on the Hotham Valley Steam Ranger.

It was a cold morning but very sunny when we met at the Golden Arches in Armadale. There were only five classic cars in attendance, those being Barry & Dot's Chevrolet, Alan and Linda Warner's Reliant Scimitar, Liam O'Connor's Wolseley, Brian Tucker's Holden Statesman and finally Tony and Loris in the Daimler, everyone else took moderns.

We had a meandering drive from Armadale with a short stop at Pinjarra where we met up with Ross and Bev Maggs, Brian Brookes, and Rhonda and Graeme Barton. The Hollis family came from Armadale as did Ray and Val Smith. When we got to Dwellingup Peter Sobczyk and Rob Popiel were already there.

After a relaxing lunch, some of us departed for home but the more adventurous went for a ride on the Hotham Valley Steam Ranger. This took about 2 hours, during which time the train slowly meandered up and down the hills passing some pretty countryside.

Gretar Jonsson won the on-board raffle prize put on by Hotham Valley Railways which he generously donated back. All in all, a very pleasant day with some lovely company.

On behalf of all those who went, a huge thank you to Barry & Dot Ryle who organized the run.

Tony Warner
President

Gretar Jonsson

Members meeting at 8:00am at McDonalds in Armadale

Letter from Cancer Council

Dear Members of the Vintage Automobile Association of WA Inc,

I am writing to you today to acknowledge your support. We are so grateful for you, and we continue to be inspired by your generosity and passion towards helping West Australians impacted by cancer.

Thanks to people like you, investment in research over the years has helped cancer survival rates increase from 49% in the 1980s to 69% today. Whilst this is a great advancement, there is still plenty to be done.

The \$3108.75 that you raised, through Australia's Biggest Morning Tea, enable us to fund not only lifesaving research but run cancer prevention programs and provide critical support to West Australians in need.

Last Australia's Biggest Morning Tea, you helped raise close to an incredible \$1.4million in WA, contributing to:

- \$2.5million allocated to 102 world-class researchers across 42 projects.
- Our 13 11 20 cancer information and support line helping close to 6000 West Australian's last year.
- 1700 Transport to Treatment trips for regional cancer patients and carers at no cost.
- More than 2800 wigs, turbans, hats, and scarves provided to cancer patients at no cost.
- Funding of world-leading cancer prevention programs.

Tackling cancer takes all of us and your funds have helped all the researchers working on the next cancer breakthrough, all the information that makes a cancer diagnosis less overwhelming, and all the 13 11 20 cancer nurses who are there to listen.

None of our work would be possible without you. Thank you.

Kind regards,
Danae Notarangelo

Supporter Experience Officer
Cancer Council WA

Casserole / Movie Night

On Saturday June 15th, the Club held its Casserole/ Movie Night which was well attended by 30 members who were spoilt. There was an awesome array of scrumptious dishes, that had some coming back for "thirds!"

Only problem with that was that they then had to try and fit in Sylvana's ice cream and sticky date.

There was lots of fun and laughter and most enjoyed the Cracking 60's movie "American Grafitti" which was loaned by Tony Warner.

A Money Board was offered up for attendees to have a dibble and ironically, the person who originally suggested the event won the \$50 prize. Congrats Steve Hollis. Feedback from the event suggests that there will be more of these types of events in the future.
