For those that want to organise an outing sometime/somewhere then please let Pauline or Frank (the Editor) know your plans.

*Robert*

### Sundowner BBQ

**It's on again, so come early and get your dinner cooked for you.**

*Robert*

## PRESIDENT'S REPORT

This month's report will probably be one of my shorter ones as Frank our Editor is going away on the long weekend and has asked that we get our reports out a little earlier than usual.

Usually I have time to think about the past month, but I also respect Frank's time is very often limited.

It has been a busy and active month in our Club, plus other events have also been on for us to take our vehicles out and the weather is much cooler for our older vehicles.

We had our busy-bee early in May and once again we had a great turnout for the morning. The back yard was raked and rubbish taken to the tip. Windows were cleaned, the carpet was vacuumed and a general tidying in the Clubhouse. A new pantry was purchased and there is now much more order in the kitchen.

General rubbish and useless items were placed on the back of my truck and disposed of at the tip.

Thank you to all members who attended and helped on the morning.

The Big Morning Tea was our next event and I believe Loris will fill you all in on the morning.

As a side issue I have never seen so much food of all types set-up on the tables.

Once again thank you to all who contributed to this most important event.

British Day at Gingin was next on the calendar and even though we don't have any British vehicles we did enjoy the drive and the event. I think this year it was bigger and better than the previous years.

The Bellevue Ratepayers Association event on the 26th May was a great day for our Club and the district in general. Many old pictures of the area were on show and it certainly was a hive of industry and activity at the turn of the Century.

Once again thank you to all that made the day the success it was.

Now that you have all done your voting for the Federal elections, it is now time to think about all the positions that will need filling in your own Club. As most of you are aware I am stepping down from my position after 5 years at the helm. New faces and new ideas are always welcome so please don't be afraid to fill a position for a year or two. It is not all that hard and it is a great Club that I have enjoyed for more than 35 years. I and others will look forward to seeing you put your hand up for a position.

Our Wednesday mornings are still going strong and I applaud the lads that have now got the Talbot at least running after many years lying dormant.

Enough said for this month.

Safe motoring.

*Robert*

## From the Secretary & Registrars Desk

Well what a busy month we just had, what with the All British Car Day at Gin Gin, the Big morning tea for the cancer council and the Todd Park fair, also throw in a Federal election as well. It was really good to see so many members bringing out their vehicles, very welcome also members of the Daimler car club supporting our events with the Chris & Bert Lodewyke and Bob and Dawn Morse (Daimler car club President).

We had a good turn out for the busy bee with a good number of our newer members attending. As some of you will know we will need to be doing some repair work to the clubroom floor in the near future so if any member knows of grano workers concrete suppliers and or builders who might be able to help us to achieve our objectives with a minimum cash out lay please do give me a call.

We have our annual AGM in July so now is the time to think about how you might be able to help the club into the future. We have a growing membership and an ageing facility which no doubt challenge us in the near future, so an effective committee is vital for the wellbeing of your club, please think about how you can make a contribution over and above attending events.

We will soon start to compile the annual club register. If you do NOT want your details or vehicle details in the magazine PLEASE let me know by return email and I will ensure they are deleted, if you DO want your details in the register please make sure I have all of your details recorded, if in doubt just call me or email me and I will make sure those details are accurate.

Kind Regards,

*Tony Warner*

## VAA BIG MORNING TEA FOR CANCER COUNCIL OF WA Held on Saturday 18 May 2019

Thank you to all the members that came to support the Big Morning Tea. Your support was greatly appreciated and, so was the awesome array of food that was supplied by club members that came. An amazing \$563.50 was raised for this great cause.

Thank you to those of you who displayed your cars, It was a great opportunity for club members to bring them out and show them off, as it was election day and there was a polling booth in Helen street, we had many visitors pop in for morning tea and to admire the cars.

*Loris Cooper*

## The Wednesday Men or "Odd Bods"

After some rather pointed comments, I have got organised and put pen to paper. It's not that I am short of stuff to write about. I mean the Wednesday Men are a lot like that tin/tray of odd nuts, bolts and thingy's on your workbench. *Too good to throw out and just might come in handy one day.*

Well, that day is here my friend. These odd bods that look like what was left over after the two captains picked their teams, are getting it done!

Take Mr T or Rowdy to his friends. Ignore his extreme economy of words, it's just that he only opens his mouth when he has something worthwhile to say. You could put this guy in a workshop full of people talking about how to fix a motor and he would quietly have it half done by the time they had finished yapping!

Then there is one of our resident strong men. You do notice a guy whose favourite tool is a hammer, believes in the 'brute force and ignorance' mantra and has Russian Army on his resume. Seriously though, this guy built his own car battery charger – Really!

And just when you thought it was safe, there was another Warner. Yes that's right, an older brother – so it's now a Warner Brother's production in the workshop. Happily though not only does Al bring a motorbike back-ground to the shop, he also brings lots of cheek and good humour – most of it directed at me.

*Please note: any truth or accuracy in this document is completely untrue and inaccurate.*

## HELP

As we have number of new members it is probably a good idea to remind new and existing members that the cost to produce and post our Past Times magazine is around \$2.50 per magazine plus \$1.00 to post it so a members who chooses to have a hard copy magazine costs the club \$42.00 and while you are entitled to have a hard copy many of you already get a copy emailed to you as well so please consider having an email only copy and save your club \$42.00 per year

## Summary of Committee positions - VAA of WA Inc

### **President**

The president's role is to be the public face of the VAA, to chair all meetings of the VAA and to provide guidance and advice to members in general but more specifically to the committee.

### **Vice President**

To act as the President in all functions in the absence of the President.

### **The Secretary / Registrar**

To arrange for all incoming and outgoing correspondence to be collected and sent, to send out notices to members as directed by the constitution, President and or committee. Record minutes of all meetings. Provide information to prospective members, and current members. Generally, act as manager for the club and its assets as per the constitution. Prepare agenda for meetings as directed by the President. To maintain a list of all members and their vehicles, to provide mailing lists for the Past Times magazine to be posted. Provides a full membership list to various committee members as required. Issue CMC Form 1 to eligible members. Maintain a database to achieve the outcomes of the position. Prepare the annual register of members and vehicles to be print ready. Arrange for new member badges to be purchased and sent.

### **The Treasurer**

Manage the finances of the club in accordance with best accounting practice. Maintain the financial records of the club. Pay accounts in a timely manner as directed by the executive committee and or the general meeting. Provide a set of financials at the end of each financial year for examination by the membership.

### **Assistant Treasurer**

To fulfil the role of the treasurer in the absence of the treasurer.

### **Magazine Editor**

The magazine editor receives information from various committee members for inclusion into the Past Times Magazine, receives articles from members and other sources as required. Constructs the layout and edits all received contributions for the Past Times to be print ready.

### **Scrutineer**

To examine members vehicles to be assessed for originality. Arrange for periodic inspections, provide advice generally on vehicle condition.

### **Assistant Scrutineers**

As above see Scrutineer

### **Commercial Scrutineer**

As above see scrutineer

**Librarian** To maintain the library in good order, chase up outstanding loan books, catalogue new donations and record the donors inside the book covers promote the library from time to time.

### **Club Historian**

Generally, a member with a longstanding historic knowledge of the club.

### **Events Coordinator**

Collect, collate events and advise members through the Past Times magazine and or through direct mail or email events thus noted are then available for members to use their concessionally licensed vehicle. Note that any member can arrange an event at any time, but it is advisable to have it listed in the monthly run sheet.

### **Assistant Events Coordinator (s)**

See events coordinator.

### **Publisher**

While this job is effectively now defunct the new role of the publisher is to send out by post the Past Times magazines to members each month, with the magazine and cover sheets printed for the publisher.

### **Dating Officer**

The role of the dating officer is to ascertain what category concessional vehicles are licensed for.

### **Club Caretaker**

To maintain the grounds and building in a fit for purpose state from month to month notwithstanding busy bee's occurring when the workload increases. To maintain a register of all club assets and advise when replacement and or repair is required.

### **Raffle Coordinator**

Coordinates the monthly raffle and conscripts help for tickets sold during the monthly meeting.

### **Kitchen Manager**

This position ensures that there is tea, coffee, milk, sugar and cool drinks are available for members at monthly meetings and other times as required. Keeps the kitchen, fridge clean and well stocked.

### **Swap Meet Organiser**

Arranges for the booking of a suitable venue, hires equipment as needed, arranges for advertising, food, drinks and refreshments as needed. Organises labour for setting up the swap meet and demobilising, also labour on the day of the swap meet.

### **Merchandising Manager**

Purchases and manages stocks of suitable regalia for members to purchase at cost

### **Workshop Manager**

As this is a new position this description is for guidance only and subject to change. Liaise with the Wednesday group on offers of projects from members. Acts as liaison with the owners of projects to ensure parts or sub-let jobs are available to minimise hold ups. Audits safety periodically and assesses equipment as fit for purpose.
