**WANTED**

Events coordinator, no experience necessary. All you need to do is to collate the events in a table format and send a copy via email to Frank Ferrari for putting into the magazine, Tony Warner for email reminders and Dave Currell to put them on Face Book and the Web site, you do not need to organise the events just get them updated and listed each month. I have been doing this since Michael Schultz left for the Northern Territory over a year ago and stepped in as there was no nomination at the last AGM but I need to be relieved of this job, this month is my last one so if no one steps up we will not have the events listed.

## PRESIDENT'S REPORT

Not sure where to start with this month's report as I don't think I have a lot to write about. As you are all aware by now we are having a Melbourne Cup Luncheon at your Club rooms. This is a first for the Club and I think it is a great idea and another chance for members to get out and have a good time. The event has been mainly organized by Loris and Rhonda with some help by others. Thank you to all concerned and Lorraine and myself are looking forward to a lovely day. Of course we have our new TV all set up so we will be watching the day's events from the comfort of our Clubhouse.

The 1946 Ford truck is now taking shape, but there are still a few areas that got the lads having to put their thinking caps on. It is certainly a credit to those that are able and willing to put their time in on this project. Neville and myself are now starting to sort out the timber tray and I am certainly looking forward to working with Neville on this project. As maybe a matter of interest to some, Neville worked with my Grandfather and Father on some of their timber framed jobs. I am sure us 2 old tradies will be able to put something together on the old Ford.

Our last run to Bert & Angie Hayes property and collection of vehicles was well worth seeing. It was my first trip to view the vehicles and I was certainly impressed. A big thank you to Neville and Maxine on organizing our day and I know that everyone had a great day. Unfortunately Lorraine and I had to leave a little early as we had a wedding to attend that afternoon.

Not much else to say at the moment as all seems to be going well in the Club.

Our Swap Meet has now been confirmed for the 11th March, 2018 at the Polo grounds and as usual we will be looking for all the help we can get. Ray will keep us all updated on what is happening and we look forward to another successful day. See you at the next meeting.

### From the Secretary/ Registrars desk

The registers have all been either handed out or posted, a big thank you to Frank Ferrari for getting them to print so quickly and of course thanks to Shannons for sponsoring them. I have since received several emails and phone calls to let me know of corrections. I am happy to report that the number of magazines being printed is still falling with members opting to take an email only magazine, this is helping to reduce our running costs overall a great result, please do reconsider if you really need a hard copy.

We have been working on the Ford Truck on Wednesdays and Saturdays, I was hoping that being there on a Saturday might encourage some members who are still working to come along and lend a hand, however this has not been the case so we are reverting back to Wednesdays, only for the moment. While progress has been made it is proving to be an interesting exercise, as none of us have worked on this truck before so it is like putting a jigsaw together without the picture. Warren is keeping everyone's spirits up with his laconic sense of humour. If anyone wants to lend a hand we do have some other projects on the go, call in and have a cuppa.

I am planning to send out alerts via SMS next year so if you have a mobile that can receive an SMS and we do not have your number please consider letting me have it so we can include you in this initiative.

### Tour De Roley

We had great support for Betty Russell's maiden run with Johnny, a pleasant drive from the clubhouse to Mundaring to pick up the Hill Billy's, then through to Kalamunda and then the Bickley Valley.

Johnny performed well as the lead car with some of us lagging a bit behind. We did lose one member along the way but after trying to find him we made it to the Elizabethan pub some for a coffee and some for lunch thanks to those who came and enjoyed the run.

*Kind regards,*

*Tony Warner*

### The Nut Farm – Sunday 15th October 2017

The club's visit to the "The Nuthouse" farm was well attended by many members. We had a couple of pit stops at Baker's Hill for pies/cakes and then Northam, before reaching our destination.

The weather was fine & warm and by the time we reached the farm, another club "the Ford Mob" had arrived before us. We took in lunch and refreshments before heading back to Perth.

The countryside still looked quite green and very pretty before the harvesting commences.

## **Mid-Week Run Wednesday 15<sup>th</sup> November 2017**

Nothing planned for this month so we will meet at the Club in the morning and see what evolves from there. Our last run on the Wednesday was organized by Tony and we checked out 2 Ford trucks similar to the one out the back. It was well worth looking at these vehicles as it gave the lads a heads up on just where some parts need to go. Lots of photos were taken of the 2 vehicles and quite a bit of information came to light. Thank you to Ross Maggs for allowing us the time and giving the history of his truck, a truck that was owned by his Grandfather and still in the family today. Also another highlight of the day was lunch at the Byford Bakery, a great place to stop and eat. We certainly seem to seek out the good bakeries.

### **Sundowner BBQ**

The sausage sizzle sundowner is on again and it's a great chance to catch up and chat before the meeting. Thanks also to our resident cook, Brian, and sometimes he has some young helpers

Robert

## **Christmas Luncheon**

Well, It's here again, doesn't time fly.

The Christmas Luncheon is on the 3rd of December so leave this day free to join us at the clubrooms at 12 noon for a sit down feast.

The club lashes out and we have yummy ham, succulent chicken and crusty rolls. This includes soft drinks. Byo alcohol. If the ladies or gents could bring a long their favourite salad or sweet we have a meal for all to enjoy.

Call me for more info,  
Debbie
